# Mathematics Design Collaborative Teacher Institutes

*Ann Shannon & Associates and the Kentucky Department of Education*

## Middle and High School Math Teachers

Come join the expanding group of classroom teachers working within the [Mathematics Design Collaborative](#) (MDC). Teachers across Kentucky and the nation are working together to enact Formative Assessment Lessons that are designed around the Coherence, Focus and Rigor of the math common core standards (Kentucky Core Academic Standards for Mathematics). The process intentionally provides ongoing opportunities for teachers to make decisions to adjust content and instructional strategies based upon student needs.

Certificates of participation for 6 hours of professional learning credit will be offered.

**June 23, 2014 8:30-3:30 CST**

Kentucky Dam Village State Resort Park Conference Center  
166 Upper Village Dr, Gilbertsville, Kentucky  
(270) 362-4271

**June 24, 2014 8:30-3:30 EST**

### Participant Outcomes

- Experience high-quality lessons that support student formative assessment
- Analyze student work in collaborative groups and develop feedback questions to move student learning forward
- Learn to use formative assessment lessons to improve students' understanding of mathematical concepts and skills
